

TECHNICAL DATA SHEET (3.9)		Vers.05 04/2023
PRODUCT	<b>DURUM WHEAT FLOUR “EXTRA”</b>	
Ingredients	Durum wheat flour	
Intended use	Durum wheat flour obtained by the milling of selected national and international wheat. Used for the production of dry, semi-dry and fresh pasta. Direct rising dough, 2-4 hours, and T °C 24±3: rising time are indicative and can change according to production conditions, yeast characteristics and room temperature,	
Packaging	25 Kg Multilayer paper bag with valve and polyethylene for food.	
Batch and EAN13 code	Printed on each bag	
Shelf life	Best before 12 months from production date	
Allergens	Gluten	
Storage	Store in well ventilated and dry place. Avoid direct exposure to sunlight
